**THIS IS A STORY ABOUT THE DAILY LIFE
OF A CHILD NAMED TONO.**

**TONO LIVES IN A NEIGHBORHOOD THAT
STRONGLY BELIEVES IN MYTHS.**

THIS IS HOW THE STORY BEGIN.

Tono's mother prepared breakfast for Tono,
because Tono was about to leave for school.

Tono, the
breakfast is ready

hoaaam, yes ma

Here's the breakfast. If you don't finish the breakfast. The rice will cry

Alright, alright.

However, Tono did not finish the breakfast.

In the end, Tono ignored the leftover rice.

AFTER TONO LEFT, THE RICE CRIED.

Tono wanted to borrow his older brother's laptop because he would be doing his college assignments.

Big bro, can I borrow your laptop?

Sure, you can use it

Why are you sitting on the pillow? you'll get ulcers bro

How could sitting on a pillow make me get ulcers

Ouch, my Bottom
hurts !!

Oh my bottom
still hurts

**After done with the
task, tono left the
house and walked
to the yard.**

Tono, come
here and
sweep this
yard please

**Tono's sister called
tono and told Tono
to sweep the yard.**

Because i
want to wash
the clothes

Why you always
ask me to do the
sweeping

Because i want to wash
the clothes, make sure
to sweep properly or
your future wife will
have a beard

Yeah whatever,
there's no way that
my wife will have a
beard because of this.

**Not long after that,
his friend came to
invite him to play.**

Tono, let's play
together!

Okay, let's
go !!

**Finally, Tono left
without finishing the
sweeping.**

**Tono and his
friends played
Mobile Legends
until dusk.**

Tono's friend realised that it will soon be nighttime.

Then Tono's friend reminded him again.

Then Tono's friend said that his mother's message was like this.

hold on a second,
so wewe gombel
are real?

**But, Tono didn't
believe what his
friends say.**

Tono's friends finally went home first.

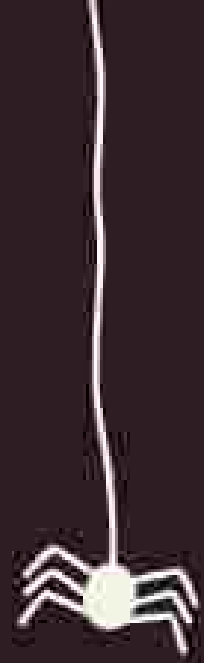

Come on
guys !!

I'll go first
tonon, byee.

**Finally, Tono
was chased by
wewe gombel.**

**THAT WAS THE LAST TIME
TONO WAS SEEN.**
